Word arrived that Riverside had a concert "Filet of Soul" the music is said to have reached the hearts of the trees for over a mile and a half. The City Council said, "It was so loud that it shook the trees!" After airing their complaints though they had second thoughts. "If they knew that we, the city fathers, objected, I'm afraid they would pass the word nationally and we'd have 100,000 up there next time." ... Let's hope so.

All the elders from the Christian Houses are invited to share during the "Love Festival" Sunday afternoons, starting April 5th, at Griffith Park. Need info? call 464-7734.

PUBLISHED ON THE FIRST AND THIRD TUESDAY!

"One afternoon Peter and John were on their way to the Temple for the three o'clock hour of prayer. A man who had been lame from birth was being carried along in the crowd, for it was the daily practice to put him down at what was known as the Beautiful Gate of the Temple, so that he could beg from the people as they went in. As this man saw Peter and John just about to enter he asked them to give him something. Peter looked intently at the man and so did John. Then Peter said,

"Look straight at us!"

The man looked at them expectantly, hoping they would give him something.

"If you are expecting silver or gold,"

Peter said to him, "I have neither, but what I have I will certainly give you. In the name of Jesus Christ of Nazareth, walk!"

Then he took him by the right hand and helped him up. At once his feet and ankle bones were strengthened, and he positively jumped to his feet, stood, and then walked. Then he went with them into the Temple, where he walked about, leaping and thanking God.

When Peter saw this he spoke to the crowd. "Is the name of... Jesus, it is faith in that name, which cured this man whom you see and recognize. Yes, it was faith in Christ which gave this man perfect health and strength in full view of you all!"

Act 3:1-8,12,16.

The world system has nothing to offer those crippled by sin but crutches.

Christianity offers the only cure... the love and forgiveness of Christ, which is administered to all those who accept Him.

HEY! HANG ON!

I just flashed on something . . . just a moment ago . . . I rapped with you . . . saw you . . .

Perhaps we met on the street, on the beach, or in a sunny park . . . Maybe you crashed at my pad, or I at yours . . .

But in my brief contact with you I didn't tell you about the heaviest thing in my life . . . and in yours, too.

You see, I'm a Jesus People. I have accepted the Lord Jesus Christ as my Liberator, and now I have the promise of - far-out - eternal life with Him . . . forever.

I'm no preacher . . . just an ordinary, everyday, happy Jesus People. But I want you to know this same peace and heavy experience in receiving the Lord Jesus Christ. You can.

It's simple; yet it's the most important and far-out thing you will ever do in your life.

First, will you agree with me on one thing - that you have "blown it" sometime during your life? The Bible says all of us have; "For all have sinned and come short of the glory of God" And how can a loving, yet holy and righteous God Receive into Heaven and eternal life men who have broken His Just laws and have offended His holiness?

God Himself wouldn't be just and pure if He did this, and so the Word of God says, "The wages of sin is death" - spiritual death; separation from God throughout all eternity.

When I realized that I was a sinner, it blew my mind, and I read that the "wages of sin is death," I also read in the Bible that "the gift of God is eternal life through Jesus Christ."

And that's the far-out thing I wanted to rap with you about: that by inviting Jesus into your life in simple faith as the One who died for your sins and is risen again for your Justification, you may be saved and have the promise of eternal life. That is on the authority not of any preacher, book or priest, but the Word of God.

That's what I wanted to lay on you when we met. If you had found the secret of true peace, happiness and satisfaction in life, wouldn't you want to spread it around? I have found it - in Jesus.

You see, my Jesus died to save you, too. You can have this same happiness and out-of-sight knowledge of real life now and eternal life that I have, by simply doing what I did -- inviting Him into your life. Do it now. I am praying that you will.

March 12, 1970

To all my Brother and Sisters;

I was born and raised in California, as a child I had no religious background, or any Christian influence in my life, I don't believe that from the ages of one until the age of eighteen I had ever seen the inside of a church building. I am now twenty.

In my later years as a teenager I was heavily involved with drugs, you named it, I took it.

After I had been using drugs for a short time I became enraged with the "Establishment" and "dropped out," convinced that the system was not the truth because of the hypocrisy that was so plain to see.

I moved from town to town and city to city looking for "truth". Then one day in Palm Springs I met a fellow "freak" or so it seemed by his appearance, but there was something different about him. He had something I didn't have and I wondered what it was. I asked him why he could seem so happy and be so much at Peace (which was what I had so long been searching for) he told me that Jesus loved me. And that he came down from heaven to die just for my sins and the sins of the world, well this seemed "far out" to me, that someone in this materialistic society would come and die for me or anybody else.

Then he told me that there was a life after death and that Jesus said that he was the only way, truth, and life and that the only way to God and inward "Peace" was through him.

So I asked Jesus Christ in my life that day and ever since then I have been traveling this Nation telling others of His wonderful "love" that He has to offer if only we will accept it.

I am now in Orange County Branch Jail for preaching too near a School Building during school hours. (Yes, you can also suffer even for the Bible.)

But I will be out soon, and again I will be telling people of the Love of Jesus and of His wonderful Salvation.

So, I pray that you too will find Jesus, the Truth.

Your Brother in Jesus,
Ralph Abern

JESUS PEOPLE UNITE

Jesus People . . . one of our brothers is now in Orange County Branch Jail, for walking in front of Maud B. Davis Jr. High School, Costa Mesa, with some other brothers . . . all were wearing "sandwich" signs with Bible verses on them. For this "crime" he is now serving time . . . now, we realize that his record in the past is none too clean . . . in the summer of 1968 he was arrested for possession of drugs . . . because of his not having any place to live and being a transient moving from town to town, he failed to appear . . . in January of 1969 something happened in his life . . . he became a new person as he invited Jesus Christ into his life . . . his zeal for his new found liberator is perhaps without equal . . . he was compelled to tell everyone of the Good News he had discovered . . . then one day a few weeks back as he walked in front of a school he was arrested for being "on or around school property" . . . then his past caught up with him, he was charged with possession and failure to appear and sentenced 10 days in jail . . . after serving these 10 days he went back to court to stand trial on the other charge . . . was found guilty and sentenced to FIVE MONTHS IN JAIL, THREE YEARS PROBATION AND \$125.00 FINE . . . for what . . . walking past a school wearing Bible verses . . . in true style of a believer in Jesus, he daily thanks Jesus for allowing him to be found worthy to serve time for Jesus . . . he has already won two other convictions to Jesus and spends two hours every day with each of them teaching them the Bible . . . Praise God! On April 15th we are calling a day of fasting and prayer for Ralph's early release from jail . . . no demonstration's . . . just prayer . . . (remember Acts 12:5-19).

LOVE IS

LOVE ONE ANOTHER

I John 4.7-12

Beloved, let us love one another; for love is of God, and he who loves is born of God and knows God. He who does not love does not know God; for God is love. In this the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him. In this is love, not that we loved God but that he loved us and sent his Son to be the expiation for our sins. Beloved, if God so loved us, we also ought to love one another. No man has ever seen God; if we love one another, God abides in us and his love is perfected in us.
